Other property owners voiced their desire to reduce the fee as well. Mr. Mallory informed the Council of the City's approximate cost of \$21,000 with the property owners paying \$2,600. Reducing the property owner's cost to \$1,000 would increase the City's cost by approximately \$20,000. Ms. Stutts then picks up the orders the following day and provides the service usually the same day, weather permitting. Mr. Mallory expressed some concern about the original wording on the door hangers leaving the impression that this was a City service. Ms. Stutts will correct the wording.

He further explained that the draft did include \$120,000 for capital improvements on streets and \$38,000 for street maintenance. Bonded indebtedness increased from approximately \$300,000 to \$500,000 for the upcoming year however, it should decrease again the following year. Department revenues and expenditures were reflected as follows:

WATER & SEWER/Revenue \$535,550 - Expend. \$775,286 requiring a transfer of \$239,736 from First Monday.

GENERAL OPERATING/Revenue \$721,700 - Expend. \$1,033,733 requiring a transfer of \$312,033 from First Monday.

Following a brief discussion, Ronnie Fugate made a motion to allow the Country Club Estates property owners to pay either \$1,600 up front or \$2,600 pay out over a period not to exceed ten (10) years. Kenneth Pruitt seconded the motion. Jack Smith again expressed his opposition. Upon the Mayor's call for a vote, all members were in favor. John Crow was not present to vote on this item. The motion carried.

7. PUBLIC HEARING REGARDING REQUEST TO CLOSE EDMON STREET BETWEEN ATHENS AND WILLS POINT STREETS - Mayor Lawrence opened the Public Hearing and informed all present of information recently received from the Texas Municipal League and legal counsel instructing the City Council that all property owners abutting Edmon Street from Wills Point to Live Oak Streets must be in favor of closing any portion of the street.

Mr. Curtis Hilliard presented a petition against closing any portion of Edmon Street. The petition was signed by approximately 35 citizens throughout the city. Mr. Hilliard stated closing the portion requested by the First Baptist

Church would be inconvenient for those who travel Edom Street by forcing a change in their traffic pattern.

Mr. Danny Pickens spoke on behalf of the First Baptist Church appealing to the Council to close the portion of Edom Street running between Wills Point and Athens Streets. He presented a proposed layout of the Church's intended expansion which would incorporate said portion of the street into a parking lot. Mr. Pickens stated vehicles would be able to drive through and pedestrians walk through the parking lot. He also expressed his concern of the street being a liability to the City and the Church would correct drainage problems prior to the layout of the parking lot.

Bob Alexander posed a compromise to the Council and citizens present. Such compromise to consist of the City repairing the street and allowing the Church to utilize it on Sunday mornings for parking. Mrs. Curtis Hilliard voiced opposition to this idea stating the Church would end up with control.

Mayor Lawrence asked all present to allow the City staff to canvass property owners whose property abuts Edom Street as to their standings on this issue while legal counsel continues to investigate the statutes pertaining to this matter. He expressed the Council's desire to make any decision based on correct information and in accordance with the law.

Mrs. Paul expressed concern that should the library ever lose it's funding, the doors would close and raised a question of the doors being closed forevermore. She requested the Council pass a resolution that the structure would be used only as a library.

Mayor Lawrence informed Mrs. Paul that a resolution would not be binding on future Council's, it would strictly be a record of the present Council's intent. He also expressed some concern of the amount of time the structure should remain dormant should the library lose funding and not be able to obtain new funding. The Mayor asked Mrs. Paul to meet with him regarding the appropriate wording for such a resolution addressing each concern. A proposed resolution will be presented to the Council during the August 25, 1992 Called Meeting.

9. CONSIDER INDIVIDUAL PETITIONS FOR ANNEXATION OF PROPERTIES LOCATED IN WYNNE COMMUNITY - Ms. Jesse Wynne Smith informed the Council that the original petition to annex the entire Wynne Community has fallen through. As her property adjoins the Canton City Limits, she presented a petition for annexation along with six (6) others. Following a brief discussion, Ronnie Fugate made a motion to accept the petitions and have Johnny Mallory investigate to determine that each property seeking annexation is in compliance with the requirements for such. 10. CONSIDER A REQUEST TO REVISE FIRST MONDAY RULES & REGULATIONS PERTAINING TO ARBOR PAVILION VENDOR ACCESS - MIKE HACKNEY -Mr. Hackney requested the Council's consideration to allow the Arbor pavilion vendors to set up their booths on Wednesday of First Monday weekends as do the food concession vendors. He stated the early entrance would be only for set up purposes and no one would be allowed to begin selling merchandise until such time as other First Monday vendors are allowed to do so. Mr. Hackney expressed concern of the congestion on Thursday mornings when all other vendors are coming in and setting up and stated the congestion around the pavilion is increased due to the fact that the pavilion vendors must remove their vehicles from the grounds following their set up period.

When asked, Al Campbell expressed concern that another group of vendors being allowed onto the grounds early could lead to the need of additional staff and eventually increase operating expenses. Other concerns were the ability of enforcing selling procedures and pressure from other vendors requesting to set up early.

Following a brief discussion, Ronnie Fugate made a motion to discuss this item during the August 25, 1992 Called Meeting and consider the request during the September Regular Meeting. Kenneth Pruitt seconded and all were in favor.

11. Jack Etheridge made a motion to renew the present Service Agreement with the Canton Chamber of Commerce for another three (3) years beginning October 1, 1992. Kenneth Pruitt seconded the motion and all were in favor.

Mrs. Claudette Anderson reviewed a Time and Production Study conducted by the Chamber office between March 1, 1992 and June 30, 1992. This study reflected the recording of all telephone calls, incoming mail and walk-in traffic and the nature of each. She then addressed the present City Ordinance #89-1 which provides for the allocation of revenue derived from the levy of the Hotel Occupancy Tax. On behalf the Canton Chamber of Commerce, Mrs. Anderson requested the one and one half percent (1 1/2%) of the Hotel Occupancy Tax presently allocated to the Chamber of Commerce be increased to two and one half percent (2 1/2%). Johnny Mallory requested the Council consider increasing the Hotel Occupancy Tax from four percent (4%) to five percent (5%) and allocate the additional one percent (1%) to the Chamber rather than reducing the present allocations to other funds.

John Crow made a motion to increase the Hotel Occupancy Tax by one percent (1%) and allocate the additional one percent (1%) to the Chamber of Commerce. Jack Etheridge seconded the motion and all were in favor. Mr. Mallory will have the necessary Ordinance prepared for the next Council Meeting.

12. CONSIDER ALL MATTERS PERTAINING TO THE 1990-1991 AUDIT - Johnny Mallory reviewed the audit prepared by Kenneth Williams, CPA, for the fiscal year ending September 31, 1991. He has visited with the Game Warden, Mr. Carter, who seems in favor of controlling access to the lake during the hours of dusk to dawn. He asked that this item be addressed again following the receipt of updated information from the homeowners and Game Warden.
15. DISCUSS AND CONSIDER ALL MATTERS PERTAINING TO THE CONSTRUCTION OF CIVIC CENTER - Al Campbell reviewed plans for the exterior of the future civic center. Proposed schemes A, B, and C ranged in cost from \$968,238 to \$1,089,734. Following a discussion and review of the plans, the Council asked Mr. Campbell to instruct the engineer to prepare a plan using Scheme B at \$968,238 as the base with approximately a \$17,000 upgrade.
16. DISCUSS AND CONSIDER ADOPTION OF A POLICY PERTAINING TO LOCAL CONTRACTOR BID LIST - Ronnie Fugate asked the Council to consider the creation of a local contractor list to be provided to general contractors. He explained some local contractors have requested to be notified for bidding on local projects. Said contractors would request to be placed on the list and the City could update it once a year. The City would in turn provide this list to the general contractors and ask that they notify the local contractors of bidding procedures.

The Council was in favor of this and asked that an advertisement be placed in

the Van Zandt News soliciting local contractors interested in being placed on said list.

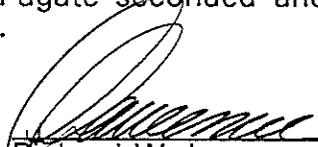

17. DISCUSSION PERTAINING TO OLD AND NEW BUSINESS FOR PLACEMENT ON FUTURE AGENDAS - There were none mentioned other than above carried items.

CONSIDER ADOPTION OF AN ORDINANCE INCREASING THE HOTEL/MOTEL OCCUPANCY TAX AND AMENDING THE ALLOCATION OF FUNDS DERIVED THEREFROM - The Council reviewed a proposed ordinance which would increase the Hotel/Motel Occupancy tax by one percent (1%) and amend the allocation of funds increasing the amount allocated to the Chamber of Commerce by one percent (1%). This ordinance would finalize the Council's action during the August 17, 1992 Regular Meeting.

Kenneth Pruitt made a motion to adopt the following ordinance:

AN ORDINANCE AMENDING ORDINANCE NO. 87-2 PASSED BY THE CITY COUNCIL ON MARCH 17, 1987, AS AMENDED, AND AS PARTICULARLY AMENDED ON DECEMBER 13, 1988 AND JANUARY 17, 1989, BY PROVIDING FOR AN INCREASE IN THE ASSESSMENT AND COLLECTION OF THE HOTEL OCCUPANCY TAX; PROVIDING FOR THE ALLOCATION OF REVENUE DERIVED FROM THE LEVY OF THE HOTEL OCCUPANCY TAX; REPEALING ALL ORDINANCES OR SECTIONS IN CONFLICT THEREWITH; AND PROVIDING FOR AN EFFECTIVE DATE.

Ronnie Fugate motioned to table this proposal until which time the budget is discussed and determination is made regarding available funds. The Council so agreed.

Ronnie Fugate informed the Council of information received from the Game Warden, Mr. Carter. Mr. Carter's supervisor feels it is an excellent idea to close the Mill Creek Reservoir Park and Lake from dusk to dawn. Should the Council opt to require permits for use of the park, the same supervisor requests that it be understood the permit is for the use of the park and not the use of the boat ramp as it is a State ramp.

8. DISCUSS AND CONSIDER APPROVAL OF ORDINANCE PERTAINING TO TEXAS MUNICIPAL RETIREMENT SYSTEM - Mr. Mallory informed the Council that the Texas Municipal Retirement System allows members to purchase their past military time upon qualification. match the employee's purchase amount. The Council would be required to pass an ordinance allowing such participation.

Ronnie Fugate made a motion to adopt the following ordinance:

AN ORDINANCE ALLOWING CERTAIN EMPLOYEES OF THE CITY, WHO PERFORMED OR HEREAFTER PERFORM ACTIVE SERVICE IN THE ARMED FORCES (OR THEIR RESERVES OR AUXILIARIES) OF THE UNITED STATES UNDER HONORABLE CONDITIONS, TO APPLY AND MAKE DEPOSITS FOR, AND TO RECEIVE SPECIAL CREDIT WITH THE TEXAS MUNICIPAL RETIREMENT SYSTEM FOR LIMITED PORTIONS OF SUCH MILITARY SERVICE, AND PROVIDING FOR PAYMENT BY THE CITY OF ITS SHARE OF THE COSTS OF ALLOWING SUCH CREDITS.

9. BUDGET WORKSHOP - Mr. Mallory reviewed the proposed budget explaining it was in balance with approximately \$3.6 million in revenues and expenditures however it did not allow for any major improvements nor the previous "wish list" provided by the Council.

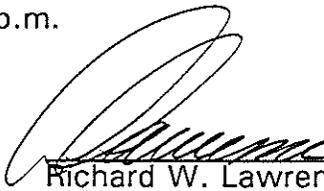

The Council again discussed the possibility of increasing water rates and First Monday vendor rates. Mayor Lawrence asked if there was a consensus regarding a need to raise rates. Ronnie Fugate expressed his views that increasing water rates by usage was justifiable however, he had some concerns on raising First Monday vendor rates. He asked that the Council be realistic with increases and consider what will be put back into First Monday as far as capital improvements.

Ronnie Fugate and John Crow both discussed the possible need in reviewing some of the First Monday policies regarding merchandising and the use of vacant lots. Kenneth Pruitt expressed his feelings that should increases occur on both ends, improvements would need to be made on both ends.

The Council asked Mr. Mallory and Mr. Campbell to present a proposed budget at the next meeting including rate increases in water usage, sewer, and First Monday lot rent. Mr. Teague also asked if it would be possible to have the Van Zandt County Art League open house at his residence as they would not be able to use the Courthouse due to parking problems. The Council briefly discussed other locations and asked Mr. Teague to meet with Al Campbell should the Art League be interested in the First Monday log cabin area or other possible locations.
